# SILVER ARABIAN CONTRACTING COMPANY

# INTRODUCTION

## Welcome to Silver Arabian Contracting Company

Established over a decade ago, Silver Arabian Contracting Company has been a prominent player in the heavy machinery rental industry, specializing in top-of-the-line equipment such as HDD Horizontal Drilling Machinery, Excavators, Cranes, Boom Trucks, Graders, Rollers, and more. Throughout our journey, we have strived relentlessly to deliver exceptional quality and service to our valued customers, setting the highest standards in the field.

### OUR COMMITMENT TO EXCELLENCE

At Silver Arabian, our unwavering commitment to excellence is the cornerstone of our success. We take pride in providing our clients with the best-in-class machinery that meets their diverse project requirements. With a team of skilled professionals and a fleet of advanced equipment, we ensure that every project we undertake is executed with utmost precision and efficiency.

### A TRUSTED PARTNER IN MAJOR PROJECTS

Over the years, Silver Arabian Contracting Company has collaborated with some of the most esteemed organizations in the country, including Red Sea Global, HEC, SATCO, NAQUA, Bin Laden Group, AIC, Expertise, Archirodon, and many others. Our involvement in prestigious projects like Red Sea, Neom, Yanbu, Makkah, Jeddah, Riyadh, Rabigh, Jizan, Jubail, and Al Khobar is a testament to our capabilities and the trust our clients place in us.

## THE SILVER ARABIAN ADVANTAGE

1. **Extensive Equipment Range:** Our diverse fleet of heavy machinery allows us to cater to a wide range of projects across different industries.
2. **Experienced Professionals:** Our team of seasoned experts brings unparalleled knowledge and proficiency to every project.
3. **Reliability and Safety:** Safety is our utmost priority, and we adhere to the highest industry standards to ensure the well-being of our clients and workforce.
4. **Nationwide Presence:** With a well-established presence in major cities and regions, we are strategically positioned to serve clients across the country.
5. **Adaptability and Innovation:** We stay updated with the latest advancements in technology and equipment, offering cutting-edge solutions for our clients' evolving needs.

## SERVICE EXCELLENCE AND CUSTOMER SATISFACTION

Our relentless pursuit of service excellence is driven by our desire to exceed customer expectations. From the initial inquiry to the completion of the project, we prioritize open communication, on-time delivery, and meticulous attention to detail. We work closely with our clients to understand their unique needs and provide tailored solutions that best fit their requirements.

## General

- Length w/ 15' (4.6 m) rod: 278" (705 cm)
- Length w/ 10' (3 m) rod: 228" (579 cm)
- Width (fixed tracks): 82" (208 cm)
- Width (fixed tracks w/ cab option): 90" (229 cm)
- Height: 75" (191 cm)
- Height w/ cab option: 89" (226 cm)
- Weight w/ 10' (3 m) rod: 19,800 lb (8981 kg)
- Weight w/ 10' (3 m) rod: 20,550 lb (9321 kg)
- Weight w/ 15' (4.6 m) rod: 21,850 lb (9910 kg)
- Weight w/ 15' (4.6 m) rod and cab option: 22,600 (10251 kg)
- Breakout system: Power-vise
- Stakedown system: Stationary, dual stakes

## Operational

- Max spindle torque: 4995 ft-lb (6772 Nm)
- Max spindle speed: 227 rpm
- Thrust (actual): 36,000 lb (16,329 kg)
- Pullback (actual): 36,000 lb (16,329 kg)
- Carriage speed (w/o cab option): 175 fpm (53 m/min)

## Power

- Engine: John Deere Diesel 4045 (4.5L) Tier 3 Turbo
- Gross hp: 140 hp (104 kw)
- Maximum governed speed: 2400 m

## Drill Stem

- Type: FIRESTICK® II
- Length: 15' (4.6 m) or 10' (3 m)
- Joint diameter: 2.75" (7 cm)
- Pipe diameter w/ 15' (4.6 m) rod: 2.625" (7 cm)
- Pipe diameter w/ 10' (3 m) rod: 2.375" (6 cm)
- Minimum bend radius w/ 15' (4.6 m) rod: 145.5' (44 m)
- Minimum bend radius w/ 10' (3 m) rod: 108' (33 m)
- Weight w/ 15' (4.6 m) rod: 143 lb (65 kg)
- Weight w/ 10' (3 m) rod: 81 lb (36.7 kg)
- Rod carrying capacity w/ 15' (4.6 m) rod: 600' (183 m)
- Rod carrying capacity w/ 10' (3 m) rod: 500' (152 m)

## Fluid Capacities

- Engine oil (including filter): 15.5 qt (14.7 L)
- Fuel tank: 45 gal (170 L)
- Hydraulic reservoir: 45 gal (208 L)

## Water Pump Options

- 50 gpm (189 L/pm) Apex Mud Pump
- 50 gpm (189 L/pm) FMC Mud Pump
- 70 gpm (318 L/pm) Apex Mud Pump

## Options

- Rubber or steel tracks
- Climate-controlled cab
- Bucket greaser - 1 gal (4 L)
- Mud pump - 50 or 70 gal (189 or 265 L)

## CERTIFICATE OF THOROUGH EXAMINATION OF DRILLING RIG MACHINE

Reference Number:	Sliver-24/23466
Sticker Number:	33192
Certificate Number:	JD241566-01A
<b>DESCRIPTION: DIESEL POWERED HYDRAULICALLY OPERATED DRILLING RIG MACHINE</b>	
Name and address of the owner:	Silver Arabian Contr. Co. KINGDOM OF SAUDI ARABIA
Maker & date of manufacture:	Vermeer / 2015
Place of inspection:	KSA
Ref. standard:	BS EN ISO 18758-1
Registration No. & owner No.:	N/A
Model & Serial No.:	D36x50 Series II & 1VR4230D3F1003249
Manufacturer's documentation:	Available
Date of previous inspection / cert. No.:	NIL
Date of next inspection:	3-Mar-25
Date of previous load test / cert. No.:	N/A
Availability of operations manual in cab:	To be provided
Load chart in cab:	N/A
Accessories certificates:	N/A
Availability of daily check report:	To be maintained
<b>Machine Specs.:</b>	
Drilling dia:	115 mm
Rotary Drive Torque:	736 Nm
Rotary Drive Speed:	200 RPM
<b>Conclusion: Fit for its intended use at the time of inspection.</b>	
<b>Declaration:</b>	
I hereby declare that the above information is correct and the equipment has been tested and examined in accordance with the appropriate provision / standards and this certificate is produced without any prejudice.

## General

- Entry Angle 33-22%
- Fuel Tank Capacity-60 gal
- Fuel Type Gas
- Ground Drive Speed-2.6 mph
- Height-118"
- Hydraulic Tank Capacity 60 gal
- Joint Diameter-4.175"
- Length-20'
- Length-34.2'
- Make and Model John Deere 6068H
- Manufacturer's Gross HP Rating-225 hp
- Max Carriage Speed-70 ft/min
- Max Flow-200 gpm
- Max Pressure-1100 psi
- Max Spindle Speed-120 rpm

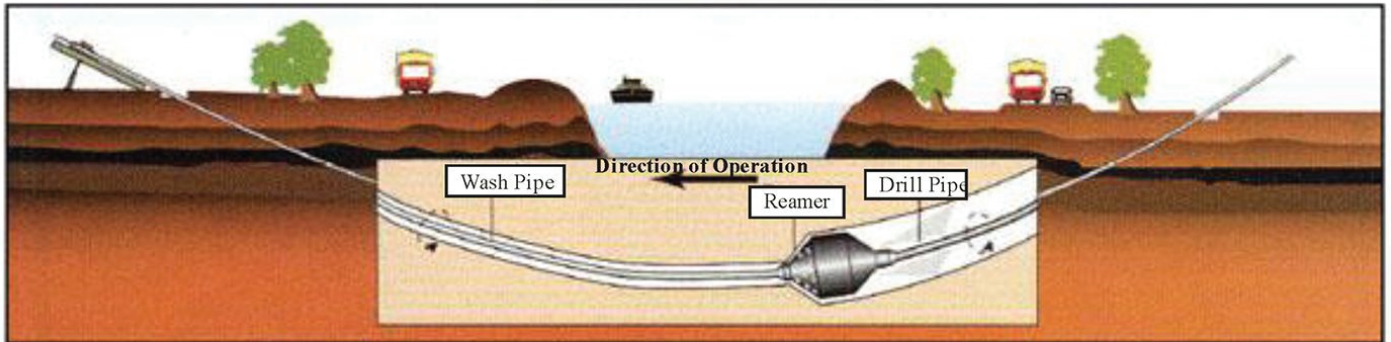

## Drill Stem

- Min Bend Radius-197.4'
- Min Bore Diameter-5"
- Pipe Diameter-3.5"
- Pullback-100000 lb
- Rated Engine RPM-2400 rpm
- Rod Carrying Capacity 300'
- Thrust-55,000 lbs
- Torque-12,000 ft-lb@ 60 rpm
- Type Firestick II
- Weight-330 lb
- Weight-39,000 lbs
- Weight of Pipe and Large Box 5500 lb
- Weight of Pipe and Small Box 3400 lb
- Width-93"

## Company

Silver Arabian Contracting Company is a well-established industry leader with extensive experience in horizontal directional drilling (HDD) services. Our commitment to excellence and dedication to meeting the diverse needs of our clients have earned us a solid reputation in the construction, telecommunications, and utilities sectors. With a formidable inventory that includes the powerful Vermeer 36x50 & 100x120 HDD machines, we stand ready to tackle even the most challenging drilling projects efficiently and effectively.

## Expertise and Equipment

Our company's expertise in HDD is matched by our cutting-edge equipment fleet. The Vermeer 36x50 & 100x120, a cornerstone of our inventory, is renowned for its capability to drill long distances with precision and speed. As industry demands evolve, we continuously expand our inventory to meet the growing needs of our clients. Our commitment to quality ensures that all our machines, including those soon to be added, are maintained to the highest standards, guaranteeing reliable and safe performance on every project.

## Your Trusted Partner

At Silver Arabian Contracting Company, we take pride in being your trusted partner for all HDD requirements. Our team of experienced professionals is dedicated to delivering top-notch services, whether it's for major infrastructure projects or smaller-scale ventures. We understand the importance of on-time project completion, cost-efficiency, and environmental responsibility, and we strive to exceed your expectations in all these areas. Choose us for your HDD needs, and experience the difference that experience, equipment excellence, and a commitment to excellence can make in your projects.

This company profile highlights Silver Arabian Contracting Company's expertise, equipment, and commitment to being a reliable partner in the field of horizontal directional drilling.

We are excited to introduce you to our comprehensive range of heavy equipment, designed to meet the diverse needs of your projects. With your goals in mind, we have curated an inventory that encompasses various capacities and boom configurations to ensure that we are well-equipped for any situation that arises.

Our inventory includes a wide selection of cranes and excavators, ranging from 20 tons to 50 tons in capacity, and featuring both short and long boom options. This versatility positions us to efficiently handle projects of varying complexities and scales. Whether you require precise, delicate operations or heavy-duty lifting and excavation, our fleet is ready to deliver exceptional results.

### **SAFETY AND SPECIALIZATION:**

Safety is paramount in our operations. Our range of equipment options ensures that we can select machinery best suited for the task at hand. Whether it's a short boom excavator for tight spaces or a long boom crane for elevated work, we prioritize the safety of our operators and your project site.

### **FLEXIBILITY AND RELIABILITY:**

Construction projects can often be unpredictable. Our diverse fleet enables us to adapt swiftly to changes or unexpected challenges, minimizing disruptions and ensuring project timelines are met.

### **COMPETITIVE EDGE:**

Our extensive equipment inventory sets us apart in the industry. It showcases our capability to handle a wide array of projects effectively, providing you with a competitive advantage and the confidence that your project is in capable hands.

### **SCALABILITY AND EXPERTISE:**

As your projects evolve, we have the resources and expertise to scale up seamlessly. Our versatile fleet enables us to accommodate projects of varying sizes and complexities.

In addition to our equipment, our commitment to safety, quality, and client satisfaction remains unwavering. We look forward to discussing your upcoming project and tailoring our equipment choices to your unique needs. Please feel free to reach out to us at your convenience to explore how we can make your project a success.

## CONTACT US:

Whether you are embarking on a major construction project or seeking reliable machinery for industrial applications, Silver Arabian Contracting Company is your trusted partner. Experience the difference our expertise and commitment make in delivering exceptional results. Contact us today and let us contribute to the success of your next venture
